Senator Jordan of the 6th offered the following amendment:

Amend SB 131 LC 39 2170S Committee Sub to SB 131 by creating a new code section 45-12-62 that states as follows after line 408:

There shall be designated, by the Governor, a lactation room in the Capitol Building or Paul D. Coverdell Legislative Office Building for use by the public. Such room shall have a mechanism to ensure privacy of any occupant and include an electrical outlet. As used in this code section "lactation room" means a hygienic room, other than a bathroom, that is used for the exclusive purpose of expressing breast milk.
